REQUEST FOR PROPOSAL (RFP)

SUPPLY AND DELIVERY OF INDUSTRIAL PUMP STATION EQUIPMENT

RFP Reference Number: DWS/RFP-2026/0034

Closing Date: 30 November 2026 at 11:00

Sealed proposals are hereby invited from suitably qualified and experienced service providers for the supply, delivery and installation of industrial pump station equipment at various water treatment works within the province for a period of thirty-six (36) months.

This RFP pack comprises the conditions of proposal, the returnable documents required for Stage 1 compliance verification, and the evaluation criteria applicable to Stages 2 and 3. Proposals must be deposited in the bid box situated in the foyer of the Department, Winston Building, 120 Pretorius Street, Pretoria.

All enquiries must be directed to the contact person: Ms N. Dlamini, Tel: (012) 345-6789.

1. BACKGROUND AND INTRODUCTION

The Department operates sixty-eight (68) water treatment and pump station facilities across the province. Several of these facilities require urgent replacement of aged pumping equipment to ensure continuity of bulk water supply to the served municipalities.

Service providers are required to familiarise themselves with the full contents of this RFP pack before completing the returnable documents. Original documents only must be submitted; no photocopies will be accepted where certification is required.

All enquiries must be directed to the contact person: Ms N. Dlamini, Tel: (012) 345-6789, email: ndlamini@dws.gov.za. Clarifications must be submitted in writing no later than seven (7) days before the closing date.

2. CONDITIONS OF PROPOSAL

2.1 The validity period of bids shall be 90 days from the closing date of this RFP.

2.2 Late submissions will not be considered. Bids received after 11:00 on the closing date will be returned unopened.

2.3 All pages of the proposal, including every returnable document, must be signed and initialled by the authorised representative.

2.4 Failure to comply with any condition of this RFP will result in the proposal being disqualified as non-responsive.

2.5 Joint ventures and consortiums must submit a signed JV agreement with their proposal.

3. STAGE 1 - MANDATORY RETURNABLE DOCUMENTS

The following documents are mandatory returnables. Failure to submit any of the documents listed below, or submission thereof in an invalid or expired state, will result in the proposal being disqualified before any further evaluation takes place:

- 3.1 A valid SARS Tax Clearance Certificate (TCS PIN) not older than 12 months must accompany the proposal.
- 3.2 A COIDA Letter of Good Standing issued by the Compensation Fund must be provided.
- 3.3 A B-BBEE status certificate or sworn affidavit issued within the last 12 months must be submitted.
- 3.4 A certified copy of the company registration documents issued by CIPC must be included.
- 3.5 Certified copies of the identity documents of all directors must be certified within the last 3 months by a commissioner of oaths.
- 3.6 Proof of registration on the Central Supplier Database (CSD) must be attached.
- 3.7 The completed SBD 4 and SBD 1 forms must be signed and initialled on every page.
- 3.8 A declaration of interest must be completed and signed by each director.
- 3.9 Copies of documents certified by a police officer or commissioner of oaths must not be older than three months.

4. BID SECURITY AND PREFERENTIAL PROCUREMENT

A bid security (guarantee) of R 150 000.00 from an acceptable bank must accompany the proposal and must remain valid for 90 days.

This procurement is subject to the Preferential Procurement Policy Framework Act (PPPFA). The 80:20 preference point system will apply in accordance with the BBBEE status level of the bidder.

Bidders are required to submit a sub-contracting plan indicating the intention to sub-contract a minimum of 30% of the contract value to designated local suppliers, in support of local content and enterprise development.

5. STAGE 2 - FUNCTIONALITY AND TECHNICAL EVALUATION

Proposals that pass Stage 1 will be evaluated on functionality (Stage 2). A minimum functionality score of 70 out of 100 is required to proceed to Stage 3. The following must be submitted:

- 5.1 A company profile demonstrating proven and relevant experience in similar projects completed in the last five (5)
- 5.2 A list of reference projects, including contactable referees for each project.
- 5.3 Comprehensive CVs of key personnel, including qualifications and professional registration (e.g. Pr Eng with EC)
- 5.4 A detailed methodology and work programme describing the implementation approach for the delivery and install

6. STAGE 3 - FINANCIAL EVALUATION

- 6.1 Audited annual financial statements for the past three (3) financial years must be submitted.
- 6.2 Management accounts for the current financial year must be provided.
- 6.3 Bidders must demonstrate a minimum annual turnover of R 8 000 000.00 per annum.
- 6.4 Proof of a bank account in the name of the bidder, confirmed by an original bank confirmation letter.
- 6.5 VAT registration number must appear on all quoted documents.
